Senior Party

Danny Gilbert receives an envelope stuffed with tickets and coupons during the Senior Party '88.

The second annual Senior Party was held on May 22, following graduation ceremonies. The seniors of '88 first met in the gym lobby, where they gorged themselves with pizza. Next, they loaded up and went to Red Lobster. Next was a stop in Branson for fun at Bumper Boats. After returning to the school, the seniors had a 'mud scavenger hunt.' Then the seniors were served breakfast, by the teachers, at Crawfords' Deli, in Forsyth. Next was a draw for money and prizes in which there were several big winners.

Mr. Stallcup hands Richard Archibeque-Weber a radio that he won at the senior party.

Paul Wescott's name is drawn for another prize.

Moonbathers Teresa Keeter and Diana Cutbirth take a few minutes out from catching some moon rays to enjoy the early morning pool party.

Mr. Wallace took an unexpected dip at the Senior Pool Party. The 5:30 a.m. party was held at Mr. Stallcup's house.

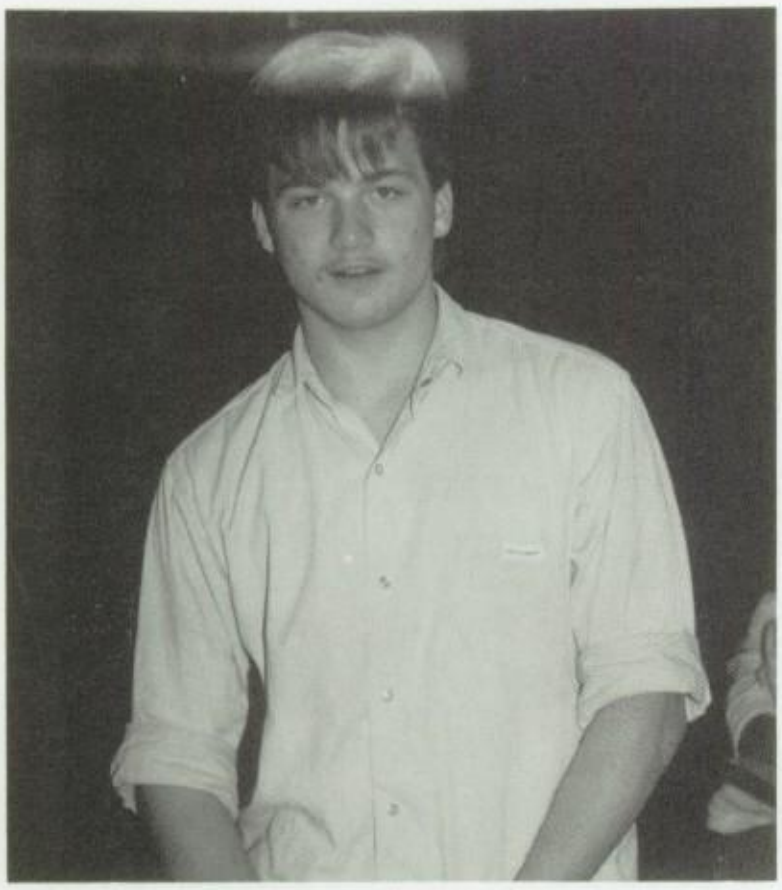
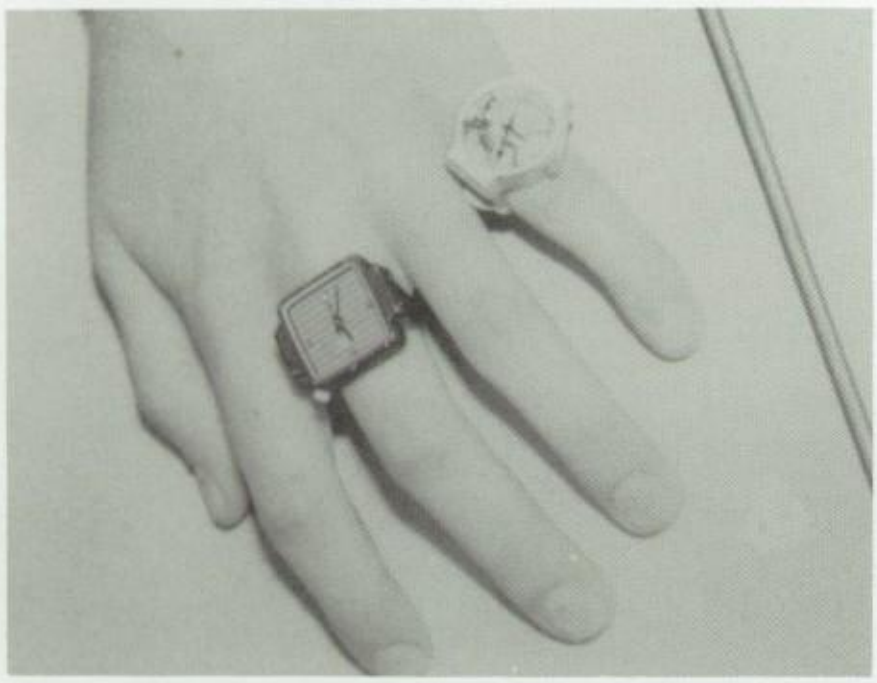
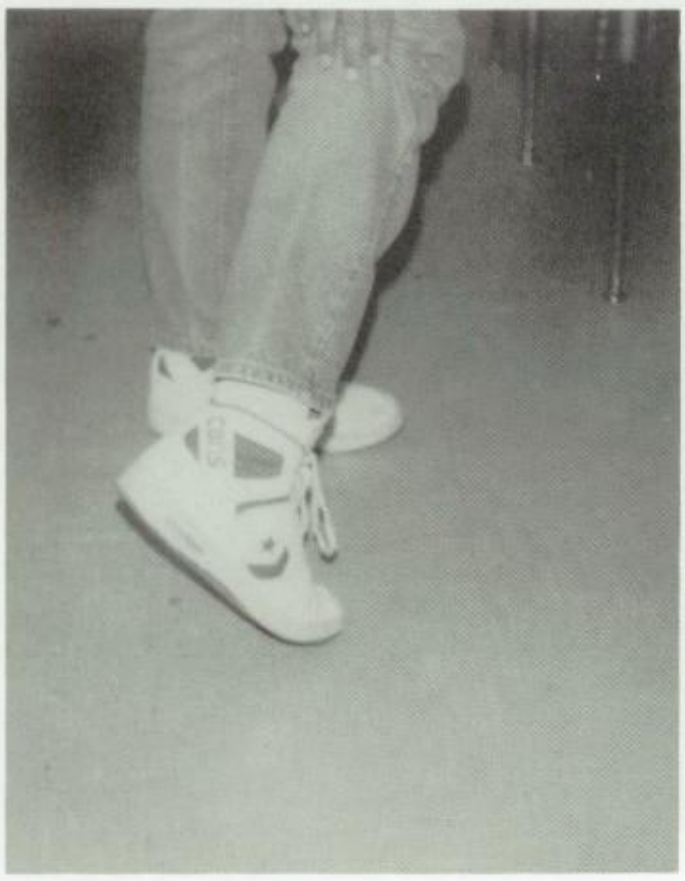
Fads and Fashions



New hair styles were tried during the 1987/88 school year. In these two pictures, Jeff Tokvam and Chris Combs display just two of the many spikes, modified mohawks, and so on of this year.



One of the more unique styles is seen here. Mary Ellen Storey shows off her swatch watch rings. Swatch Watches were also very popular. At the right, Mike Wallace is wearing his letterman's jacket, which is also a popular article of clothing.

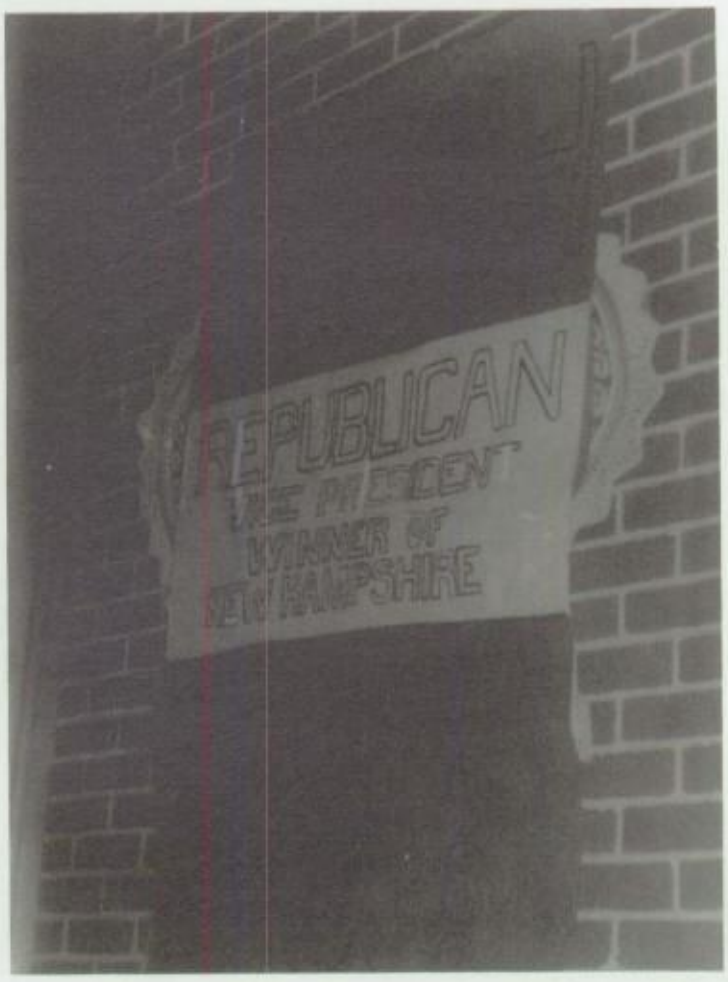


Songs are always an important part of high school life. Here are just a few of the most liked songs of 1987/88:

10. Nothing But a Good Lady
9. Dude Looks Like a Lady
8. I've Found Someone
7. Sitting on the Dock of a Bay
6. Anything For You
5. Wait
4. Dirty Diana
3. Girlfriend
2. Hungry Eyes
1. Pour Some Sugar on Me

in 87/88

Movies were an important pastime and here are some of the hottest of the year:
9. Planes, Trains, and Automobiles
8. The Fly
7. La Bamba
6. A Nightmare on Elm Street Part 3
5. Fatal Attraction
4. Top Gun
3. Beetlejuice
2. The Lost Boys
1. Dirty Dancing



Above, Cyndi Houseman shows that style is anything you want it to be. Jams and sunglasses are often seen around the end of the school and warm weather months.

Tennis Shoes are always popular, and some of the most popular sneakers of 1987/88 were Converse, Reeboks, and Nikes.

Coca-Cola was probably the biggest craze in clothing and accessories. The Coca-Cola logo was on everything from sweatshirts, to tee-shirts, to watches, to sun visors.

Senior Letters

Dear Jane:
The last chapter of your life at Forsyth High is being written. We are very proud of you.
We have watched you mature into a beautiful young lady. Your delightful personality has been an encouragement to your family on many occasions. Your academic spirit has brought us much pleasure and your accomplishments have been many.
Thanks for sharing your friends with your family. As they are, also, indicative of your ideals and choice of lifestyle.
You have rewarded us many times and your accomplishments have just started. Your mother and I, also brothers, John C. and John W., have been pleased wyt? your bei?g a part of our family. The future will bring more accomplishments and we will be there to share them with you.

All our love,
Dad and Mom

Dear Shelley:
Time has passed so quickly that it doesn't seem possible you are a senior. You have grown into a beautiful person. Your family will miss you next year. You have been such an inspiration to us. God blessed us when you were given to us. I know your life will be blessed because you are a very special person.
May you have as much happiness in your life that you have given us.

Our prayers and
love are with you,
Mom & Dad

Michael:
Thanks for being yourself. We are proud of you and we want you to have the best things in life, but you must remember material things do not necessarily prove anything, for they can be taken away. Your thoughtfulness for others and maintaining your own integrity and honesty can never be taken away.
As long as you keep Christ with you as a co-pilot you can do anything-We love you-

Dad and Mom

Darcy,
May you find happiness and success in everything you do. You've made your dad and I very proud of you. Know that we will always be there for you and be the special and out going person you are. Watching you grow up with such a zest for life is something will never forget. We love.

Mom, Dad & Shawn

Dear Heidi:
We are always here to understand you;
We are always here to laugh with you;
We are always here to cry with you;
We are always here to talk to you;
We are always here to think with you;
We are always here to plan with you;
Even though we might not always be together,
Please know that we are always here to love you.

Love,
Mom & Dad

Kelly,
We can hardly believe the time has finally come. We've all been waiting for a life time it seems.
You are such a special person and we love you so much and are very proud of the way you always put everyone ahead of yourself and you're always there to help those who need help.
Always stay the same.

Lots of Love & prayers
Mom & Dad

For Richard, It hardly seems like eighteen years have passed so quickly; joy and tears, laughter and frustration, too, have marked our life, so far, with you. Our quiet, smiling, brown-haired son now you're eager to get things done: you envision a future life with your own children, home, and wife. You say you're anxious to get on with your own plans and will be gone from mama's next, so snug and warm to go out in the world alone. It's natural son to feel that way. If not, why, you'd just stay and stay and never leave familiar ground and 'tho you're fun to have around we applaud your eagerness to journey toward the Golden West and serve your fellowman and God, to leave the old familiar sod, We've always known that you'd succeed and strive to win the things you need. Just don't forget your old home place and mama's happy smiling face as you return from all your travels and come back to relax, unravel and we promise we won't ask you to babysit the kids . . .
